

February 15, 2024

Dear Community Partner,

The 5<sup>th</sup> Annual *Night of Giving*, which supports the Grafton Education Foundation, is set for Friday, April 12, 2024 at the Ozaukee Non-Profit Center. Last year's event was a huge success and we owe it all to our district families and community support from amazing sponsors.

To continue the success of our event and foster GEF's mission of providing innovative educational opportunities to students in all Grafton public schools, K4-12, we are asking for your support to sponsor the 2024 *Night of Giving*. We have included a separate sheet outlining all the benefits you'll receive for each of the different sponsorship levels.

In the past 12 years, we have been able to fund over \$565,000 in grants for much needed educational programs, materials, and equipment for the Grafton School District. Your support will directly impact the mission of the GEF which is to enhance and enrich the educational opportunities for Grafton School District students at all grade levels.

We ask that you please join us as our presenting sponsor for the 2024 *Night of Giving* event. Grafton Education Foundation is a 503(c)(3) non-profit corporation, [www.graftoneducationfoundation.org](http://www.graftoneducationfoundation.org).

Thank you in advance for your consideration.
