Portraits in the Park Supports GEF

On Sunday, September 14th the Grafton Education Foundation, in cooperation with [Visual Image Photography](#), will sponsor its annual "Portraits in the Park" at lower Lime Kiln Park in Grafton. If it has been a while since your last family portrait, please take this opportunity to receive beautiful, professional photography at special rates. The \$60 cost covers the sitting fee and one portrait 16 inches by 20 inches or smaller. Additional photos or holiday cards can also be ordered, and the digital image will be available for purchase as well.

The proceeds from this event will be used to fund enriching and innovative educational opportunities for Grafton Public School students.
